### Executive Summary

Approving the petition to establish the Blue Ridge Crossing Community Improvement District; establishing the Blue Ridge Crossing Community Improvement District generally bounded by Interstate 70 to the north; Blue Ridge Boulevard to the east; East 43rd Street to the south; and Northern Avenue to the west in Kansas City, Jackson County, Missouri; requiring the annual submission of certain records; and directing the City Clerk to report the creation of the District to the Missouri Department of Economic Development and the Missouri State Auditor

### Discussion

This ordinance would approve the petition to establish the Blue Ridge Crossing CID for a 20-year term, unless extended. This CID would be located, generally, in the location of the former Blue Ridge Mall in the 3<sup>rd</sup> Council District. This CID would not overlap any other CID, and is composed of 14 parcels with 10 separate owners. 60% of property owners within the boundaries signed the petition. Of those who signed, they own 50.3% of the assessed property value. These percentages both meet the minimum thresholds of greater than 50% which is required by state statute.

The District would have the authority to impose a 1% sales tax. The District would not have authority to levy special assessments. The CID is proposing the following improvements and services: streetscaping, energy efficient security lighting, public benches, trash receptacles, public parking lots, public art, litter/trash removal, security personnel/equipment, landscaping maintenance, graffiti removal, and any other improvement and services allowed by state statute.

The CID would be required to submit proposed budgets, annual reports, and copies of resolutions passed by the CID's board of directors per state statute in addition to entering into a cooperative agreement with the City.
