This Proposed Annual Budget FY 2023-2024 is being provided by the 9th & Central Community Improvement District (the "CID") to the City Council of the City of Kansas City (the "City") as the governing body of the City, pursuant to the requirements of Section 67.1471 RSMo. The CID was established by the City pursuant to Ordinance No. 180263, which was approved by the Mayor of the City on April 19, 2018. The Missouri Community Improvement District Act (the "CID Act") requires the CID, within no earlier than one hundred eighty (180) days but no later than ninety (90) days of the beginning of each fiscal year, to submit to the governing body of the City a proposed annual budget setting forth expected expenditures, revenues and rates of assessments and taxes, if any, of the CID during such fiscal year, and submit the same to the governing body of the city. The fiscal year of the CID is, pursuant to the CID Act, the same as the fiscal year of the City, which runs from May 1 to April 30 of each year. This proposed annual budget pertains to the CID as contemplated by its Board of Directors for the fiscal year beginning on May 1, 2023 and ending on April 30, 2024. This budget is only a proposed budget, as contemplated by Section 67.1471.2, and is subject to change based upon either the recommendations of the City as provided for in that subsection, or upon its final adoption by the CID, as contemplated in Subsection 67.1471.3, acting in its discretion. The CID sales tax of 1.0% took effect on January 1, 2019.
