ORDINANCE NO. 240311

Proactive Public Engagement Methods:

- Two public meetings occurred prior to the restart of design.
 - The first public meeting was held on November 17, 2015, which discussed with the public on how the reliability of the wastewater system would be improved.
 - The second public meeting was held on November 14, 2017, which presented the final pump station design to the public.
- A follow-up public meeting is anticipated to be held prior to bidding the construction project.
