- C. Contractor shall defend, indemnify and hold harmless City from and against all claims arising out of or resulting from all acts or omissions in connection with this Contract caused in whole or in part by Contractor or Contractor's Agents, regardless of whether or not caused in part by any act or omission, including negligence, of City. Contractor is not obligated under this Section to indemnify City for the sole negligence of City.
- D. In no event shall the language in this Section constitute or be construed as a waiver or limitation of the City's rights or defenses with regard to sovereign immunity, governmental immunity, or other official immunities and protections as provided by the federal and state constitutions or by law.

**Sec. 20. Indemnification for Professional Negligence.** If this contract is for professional services, Contractor shall indemnify, and hold harmless City and any of its agencies, officials, officers, or employees from and against all claims, damages, liability, losses, costs, and expenses, including reasonable attorneys' fees, arising out of any negligent acts or omissions in connection with this Contract, caused by Contractor, its employees, agents, subcontractors, or caused by others for whom Contractor is liable, in the performance of professional services under this Contract. The Policy shall provide coverage on an "any auto" basis and on an "occurrence" basis. This insurance policy will be written on a Commercial Business Auto form, or acceptable equivalent, and will protect against claims arising out of the operation of motor vehicles, as to acts done in connection with the Contract, by Contractor.
  4. If this Contract is for professional services, Contractor shall obtain Professional Liability Insurance with limits per claim and annual aggregate of \$1,000,000.
  5. Cyber Liability Insurance, with limits not less than \$2,000,000 per occurrence or claim, \$2,000,000 aggregate. Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by the Contractor in this agreement and shall include, but not be limited to, claims involving security breach, system failure, data recovery, business interruption, cyber extortion, social engineering, infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, and alteration of electronic information. The policy shall provide coverage for breach response costs, regulatory fines and penalties as well as credit monitoring expenses.
    - a. The Policy shall include, or be endorsed to include, property damage liability coverage for damage to, alteration of, loss of, or destruction of electronic

In the event Contractor fails to maintain the required insurance coverage in effect, City may declare Contractor in default.
- F. In no event shall the language in this Section constitute or be construed as a waiver or limitation of the City’s rights or defenses with regard to sovereign immunity, governmental immunity, or other official immunities and protections as provided by the federal and state constitutions or by law.

## **Sec. 22. Interpretation of the Contract.**

- A. City selected Contractor through a negotiated procurement process rather than an Invitation for Bids (IFB) solicitation. Unlike the IFB, this process allows the City and Contractor to discuss and negotiate a contract at arm’s length prior to entering a final contract that is acceptable to both the City and the Contractor. After negotiation and discussion, Contractor and City have incorporated multiple documents into this Agreement and the meaning of some of the words used in the Agreement may be uncertain, incomplete or duplicative and the Agreement may promise something at one place and take that promise away at another. In sum, the Agreement may contain words and provisions that are susceptible of more than one meaning so that reasonable persons of average intelligence may fairly and honestly differ in their construction of the words and provisions. It is the intent of the City and the Contractor that the City’s taxpayers receive the benefit or advantage in the construction and interpretation of this Agreement, regardless of the normal judicial rules of contract construction even if the construction and interpretation of the Agreement will cost the Contractor more money and time. City and Contractor agree that City’s Manager of Procurement Services shall resolve all disagreements as to the meaning of this Agreement or any ambiguity in this Agreement, in favor of the City and its taxpayers even if it will cost the Contractor more money and time.

The decision of City's Manager of Procurement Services shall be final and conclusive if the Manager of Procurement Services acted in good faith.

- B. Contractor acknowledges and agrees that the City has provided Contractor with an opportunity to have Contractor's attorney review and advise Contractor on the Agreement and any potential ambiguities or areas of disagreement and the potential adverse legal consequences of Contractor agreeing to this Section as well as the entire Agreement. Contractor certifies that Contractor has provided the City written notice of all ambiguities, conflicts, errors or discrepancies that it has discovered in the Agreement and the written resolution thereof by the City as embodied in this final Agreement is acceptable to Contractor.
- C. Contractor certifies that Contractor has either (1) waived its right to have Contractor's attorney review this Section and Agreement; or (2) Contractor has consulted with an attorney on this Section and Agreement.
- D. Contractor knowingly and voluntarily agrees to this Section and the entire Agreement. Contractor certifies that this contract was not procured by fraud, duress or undue influence.

**Sec. 23. Contract Execution.** This Contract may be executed in one or more counterparts, each of which will be deemed an original copy of this Contract and all of which, when taken together, will be deemed to constitute one and the same Contract. This Contract shall be effective upon the execution of counterparts by both parties, notwithstanding that both parties may not sign the same counterpart. The parties' signatures transmitted by facsimile or by other electronic means shall be proof of the execution of this Contract and shall be acceptable in a court of law.

**Sec. 24. Guaranteed Lowest Pricing.** Contractor certifies that this Contract contains Contractor's lowest and best pricing for all services supplied by Contractor to any government, governmental entity, political subdivision, city, state, school district or any other public entity in the United States as of the date of this Contract.

**Sec. 25. Assignability and Subcontracting.**

- A. Assignability. Contractor shall not assign or transfer any part or all of Contractor's obligation or interest in this Contract without prior written approval of City. If Contractor shall assign or transfer any of its obligations or interests under this Contract without the City's prior written approval, it shall constitute a material breach of this Contract. This provision shall not prohibit contractor from subcontracting as otherwise provided for herein.
- B. Subcontracting. Contractor shall not subcontract any part or all of Contractor's obligations or interests in this Contract unless the subcontractor has been identified in a format required by City. If Contractor shall subcontract any part of Contractor's obligations or interests under this Contract without having identified the subcontractor, it shall constitute a material breach of this Contract. The utilization of subcontractors shall not relieve Contractor of any of its responsibilities under the Contract, and Contractor shall remain responsible to City for the negligent acts, errors, omissions or neglect of any subcontractor and of such subcontractor's officers, agents and employees. City shall have the right to reject, at any point during the term of this Contract, any subcontractor identified by Contractor, and to require that any subcontractor cease working under this Contract. City's right shall be exercisable in its sole and subjective discretion. City shall not be obligated to pay or be liable for payment of any monies which may be due to any subcontractor. Contractor shall include in any subcontract a requirement that the subcontractor comply with all requirements of this Contract in performing Contractor's services hereunder.

**Sec. 26. Professional Services – Conflict of Interest Certification.** If this Contract is for professional services other than for medical doctors or appraisers, Contractor certifies that Contractor is not an expert witness for any party in litigation against the City at the time of the issuance of this Contract.

**Sec. 27. Intellectual Property Rights.** Contractor agrees, on its behalf and on behalf of its employees and agents, that it will promptly communicate and disclose to City all computer programs, documentation, software and other copyrightable works (“copyrightable works”) conceived, reduced to practice or made by Contractor or its agents, whether solely or jointly with others, during the term of this Contract resulting from or related to any work Contractor or its agents may do on behalf of City or at its request. All inventions and copyrightable works that Contractor is obligated to disclose shall be and remain entirely the property of City. It is agreed that all inventions and copyrightable works are works made for hire and shall be the exclusive property of City. Contractor hereby assigns to City any rights it may have in such copyrightable works. Contractor shall cooperate with City in obtaining any copyrights or patents.

**Sec. 28. Minority and Women’s Business Enterprises.** City is committed to ensuring that minority and women’s business enterprises (M/WBE) participate to the maximum extent possible in the performance of City contracts. If M/WBE participation goals have been set for this Contract, Contractor agrees to comply with all requirements of City’s Minority and Women’s Business Enterprise Program as enacted in City’s Code Chapter 3 Sections 3-421 through 3-469 and as hereinafter amended. Contractor shall make its good faith efforts in carrying out this policy by implementing its contractor utilization plan, which is attached as **Attachment B**. If Contractor fails to achieve the M/WBE goals stated in its contractor utilization plan, as amended, the City will sustain damages, the exact extent of which would be difficult or impossible to ascertain or estimate at the time of execution of this contract. Therefore, in order to liquidate those damages, the monetary difference between the amount of the M/WBE goals set forth in this contractor utilization plan, as amended, and the amount actually paid to qualified MBEs and WBEs for performing a commercially useful function will be deducted from the Contractor’s payments as liquidated damages. In determining the amount actually paid to qualified MBEs and WBEs, no credit will be given for the portion of participation that was not approved by the Director of City’s Civil Rights and Equal Opportunity Office, unless the Director determines that the Contractor acted in good faith. No deduction for liquidated damages will be made when, for reasons beyond the control of the Contractor, the M/WBE participation stated in the contractor utilization plan, as amended and approved by the Director, is not met.

**Sec. 29. Employee Eligibility Verification.** Contractor shall execute and submit an affidavit, in a form prescribed by the City, affirming that Contractor does not knowingly employ any person in connection with the contracted services who does not have the legal right or authorization under federal law to work in the United States as defined in 8 U.S.C. §1324a(h)(3). Contractor shall attach to the affidavit documentation sufficient to establish Contractor’s enrollment and participation in an electronic verification of work program operated by the United States Department of Homeland Security to verify information of newly hired employees, under the Immigration and Reform and Control Act of 1986. Contractor may obtain additional information about E-Verify and enroll at <https://e-verify.uscis.gov/enroll/StartPage.aspx?JS=YES>. For those Contractors enrolled in E-Verify, the first and last pages of the E-Verify Memorandum of Understanding that Contractor will obtain upon successfully enrolling in the program shall constitute sufficient documentation for purposes of complying with this section. Contractor shall submit the affidavit and attachments

to the City prior to execution of the contract, or at any point during the term of the contract if requested by the City.

**Sec. 30. Emergencies.**

- A. Disaster means any large scale event such as an act of terrorism, fire, wind, flood, earthquake or other natural or man-made calamity which results in, or has the potential to result in a significant loss of life or property.
- B. During and after a disaster, Contractor shall provide special services to the City including Contractor shall open Contractor's facilities even on nights and weekends as necessary to meet the needs of the City during a disaster.
- C. Contractor shall not charge City any fee for opening facilities during an emergency or for extending Contractor's hours of operation during a disaster. City shall pay Contractor the agreed upon contract prices for all purchases made by City during the disaster and Contractor shall not charge City any additional mark-up, fee or cost for any purchases made by City during a disaster.
- D. Contractor shall quickly mobilize Contractor's internal and external resources to assist City when a disaster unfolds.
