Re: **CLD-FnPlat-2022-00041** - A request to approve a final plat in district R-7.5 (Residential) to create 58 lots and eight tracts on about 60 acres generally located at N. Green Hills Road and NW 108th Street.

Dear Steve Warger:

At its meeting on September 19, 2023, the City Plan Commission acted as follows on the above-referenced case.

Approved with Conditions

The Commission's action is final. All *conditions imposed by the Commission*, if any, *are available on the following page(s)*.

PLEASE READ CONDITIONS CAREFULLY as some or all of the conditions imposed may require action on your part to proceed to the next step. If revised plans are required, you must make such revisions and upload the revised plans prior to proceeding to the next step. Conditions recommended by the Commission cannot be waived or modified by staff.

If you have any questions, please contact me at Andrew.Clarke@kcmo.org or (816) 513-8821

Sincerely,

A handwritten signature in black ink that reads "Andrew Clarke".

Condition(s) by City Planning and Development Department. Contact Terry Thomas at (816) 513-2510 / Terry.A.Thomas@kcmo.org with questions.

4. The developer must dedicate additional right of way [and provide easements] for NW 108th Street as required by the adopted [Major Street Plan and/or Chapter 88] so as to provide a minimum of 50 feet of right of way as measured from the centerline, along those areas being platted, or seek approval recommendations from the Transportation and Development Committee for any variances requested to the Major Street Plan prior to City Plan Commission approval.
5. The developer must design and construct all interior public streets to City Standards, as required by Chapter 88 and the Land Development Division, including curb and gutter, storm sewers, street lights, and sidewalks.
6. The developer shall submit verification of vertical and horizontal sight distance for the drive connection to public right-of-way to the Land Development Division and make improvements to ensure local jurisdiction and/or minimum AASHTO adequate sight distance standards are met, prior to issuance of any certificate of occupancy.
7. The developer shall submit plans for grading, siltation, and erosion control to Land Development Division for review and acceptance, and secure a Site Disturbance permit for any proposed disturbance area equal to one acre or more prior to beginning any construction activities.
8. The developer must pay impact fees as required by Chapter 39 of the City's Code of ordinances as required by the Land Development Division.
9. The developer shall cause the area to be platted and processed in accordance with Chapter 88, Code of Ordinances of the City of Kansas City, Missouri.
10. The developer shall obtain the executed and recorded City approved grading, temporary construction, drainage/sewer, or any other necessary easements from the abutting property owner(s) that may be required prior to submitting any public improvements crossing properties not controlled by the developer and include said document(s) within the public improvement applications submitted for permitting
11. The developer shall submit plans for approval and permitting by the Land Development Division prior to beginning construction of the improvements within the public right of way, and construct ADA compliant ramps at all required locations where new private drives are being added, or where existing sidewalks are modified or repaired.
12. The developer shall submit covenants, conditions and restrictions to the Land Development Division for review by the Law Department for approval for the maintenance of private open space and enter into a covenant agreement for the maintenance of any stormwater detention area tracts, prior to recording the plat.
13. The developer shall integrate into the existing street light system any relocated existing street lights within the street right-of-way impacted by the new drive or approach entrances as required by the Land Development Division, and the relocated lights must comply with all adopted lighting standards.
