PROFESSIONAL STAFF RECOMMENDATION

Docket #3 Recommendation: **Approval Subject to Conditions**

VACATION REVIEW

The street requested to be vacated is currently an improved alley which dead ends at the rear property line of homes along Terrace Street. Land uses to the south are multifamily structures which currently use the alley as parking. Approval of this vacation would not prevent anyone from accessing their property as all structures fronting this alley have access along adjacent streets.

There are public and private utilities within the Public Right of Way. Public Utilities include the sewer main which KCMO Water Services is requiring that the main be relocated. Private Utilities included in this right of way are Energy facilities. The applicant must retain an easement and protect the facilities.

SPECIFIC REVIEW CRITERIA

Street, Alley or Plat Vacations

In order to determine that no private rights will be unreasonably injured or endangered by the vacation and the public will suffer no unreasonable loss or inconvenience, the city planning and development director, city plan commission, and city council must consider at least the following factors:

88-560-10-A. All property owners adjacent to the right-of-way shall have legal access to another public right-of-way. Such access shall be physically feasible and shall not result in an unreasonable burden or unsafe conditions on the alternate right-of-way.

This right of way vacation is for the alley on the block bounded by West 39th Street, Wyoming Street, Terrace Street, and Valentine Road. All adjacent property owners will retain legal access to public right-of-way.

88-560-10-B. The retention of the public right-of-way or subdivision serves no current purposes and no future useful public purpose is anticipated.

The alley in question does not serve any current or future public purpose. This alley only serves the apartments which use this site as parking.

88-560-10-C. The vacation will not result in a violation of 88-405.

The vacation will not be in violation of 88-405.

88-560-10-D. The vacation shall not disrupt the constructed street network or reduce existing physical connectivity.

The vacation will not disrupt any street network and will not have a small impact on the physical connectivity.

88-560-10-E. The vacation shall not result in a dead-end street or alley.

The proposed vacation will not result in a dead-end street or alley, as the entirety of the alley is proposed for vacation.

88-560-10-F. The vacation shall not result in street traffic being routed through an alley.

No traffic will be routed through an alley as a result of this vacation.

88-560-10-G. The vacation shall not vacate half the width of a street or alley.

This vacation will not vacate half the width of any street or alley.

88-560-10-H. The right-of-way to be vacated is not on the Major Street Plan.

The area being vacated is not on the Major Street Plan.
