### Executive Summary

Rezoning an area of about 1.7 acres generally located at the northeast and northwest corners of Belleview Avenue and W 30th Street from District R-2.5 to District DX-2. (CD-CPC-2026-00018)

### Discussion

The subject site contains three parcels. The existing 115,857 square foot building sits on the eastern parcel and the 68-space parking lot covers the two western parcels. The applicant is seeking an area plan amendment and rezoning at the advice of Planning staff to abate zoning violations for uses not permitted in an R-2.5 zoning district and operating outside of the previously approved certificate of legal nonconforming use.

Several members of the public spoken in opposition to the rezoning at the CPC public hearing. CPC recommended approval 6-1.
