05/12/2026

Neighborhood Planning and Development Committee

EV4424- KCATC

Procurement Process

Contract EV4424 is a one-year contract for the Kansas City Assessment and Triage Center (KCATC) and is awarded to ReDiscover in the amount of \$1,000,000 through a solicitation waiver.

EV4424- KCATC

KCATC Program

- Funds and supports operation to provide crisis assessment and short-term stabilization for individuals experiencing mental health or substance use emergencies.
- Provides triage, crisis intervention, and referral services for individuals referred by law enforcement, EMS, hospitals, and other authorized behavioral health providers.
- Connects clients to ongoing treatment and community behavioral health resources while reducing reliance on emergency rooms and detention facilities
