Executive Summary

Authorizing the Manager of Procurement Services to execute one contract in the amount of \$153,567.00 with The Community Capital Fund (CCF) from previously appropriated funds to support and invest in innovative and measurable community development that aligns with and strengthens the financial, human, and social capital of under-resourced neighborhoods in the Greater Kansas City metropolitan area; and recognizing this ordinance as having an accelerated effective date.

Discussion

The Kansas City Health Department (KCHD) seeks Council approval to enter into an agreement with the Community Capital Fund (CCF) to support implementation of the Community Wellness Ambassador Program. CCF will partner with KCHD to promote the Community Wellness Ambassador Program and administer micro-grant disbursements to selected participants. Founded in 2012, CCF is a 501(c)(3) community development organization dedicated to strengthening financial, human, and social capital in under-resourced neighborhoods throughout the Greater Kansas City metropolitan area. CCF has established strong relationships across historically underserved communities in both Kansas City, Missouri and Kansas City, Kansas, positioning the organization to rapidly and equitably deploy resources through trusted neighborhood networks

The structure ensures measurable outcomes, geographic equity, and responsible oversight.

The ordinance advances CREO goals by directing resources into historically underserved neighborhoods, supporting inclusive economic participation through community-based micro-grants, strengthening local nonprofit capacity, and building neighborhood leadership infrastructure. Overall, the partnership enhances equitable access, community trust, and efficient delivery of City-supported wellness initiatives.
