Hi my name is Raymond Forstater and I live in the 4th district. I am writing to ask City Council to vote yes on the Climate Protection and Resiliency Plan without any weakening amendments or changes.

We deserve a climate plan that will not only uplift our environment but also uplift our communities. I'm excited to see Kansas City pass a framework that endorses green social housing, closing the Hawthorn Coal Plant, maximizing convenient and accessible public transit, and electrifying our homes and buildings to protect the most vulnerable people.

As written now, this plan better reflects the people of Kansas City, not fossil fuel executives or their friends, therefore it must pass in full, without any industry-backed amendments intended to water down the will of the community. We are counting on you to pass the CPRP and give us a livable future.

Thank you,
Raymond Forstater
