Ordinance Fact Sheet

Construction/Misc. Form

Brief Title
 Authorizing a construction contract for the
 City Wide Automated Metering Infrastructure 2
 project and two successive one-year renewal options.

Approval Deadline

Reason
 To authorize execution of a construction contract and expenditure; and
 authorizing two successive one-year renewal options.

Details

Reason for Contract
 This ordinance will authorize the Director of Water Services to enter into a construction contract with Haines & Associates Construction Company, Inc., for the City-Wide Automated Metering Infrastructure 2 project and its two one-year renewal options.

Discussion

Project Justification
 This contract will assist Water Services Department's reduction of water loss in its distribution system. In addition, it will increase the reliability in the Water Services Department's billing system.

Project Description
 The scope of work to be provided under this contract entails repair and replacement of automated meter readers (AMRs) in the distribution system, in support of the Meter Field Services Division, as needed, city wide, in Kansas City, Missouri. It may also include repairs to curb stops, service lines, and other appurtenances.

Unit prices for the work to be completed under this contract were set based on the bids received. Therefore, KC Water proposes a not to exceed \$3,000,000.00 contract to complete work orders.

All project work will be completed within Kansas City, in Cass, Clay, Jackson, and Platte Counties, Missouri.

This ordinance also authorizes the Director of Water Services to execute two successive one-year renewal options for this contract without additional City Council approval.
