### Executive Summary

The City will be paying \$167,603.94 to settle a water main break claim brought by Big Brothers Big Sisters of Greater Kansas City.

### Discussion

This legislation involved a water main break. This was a Code 3 break on a 30-inch main. Water flowed down 17th Street and entered the building through a lower-level entry door. The water flowed into an office space on this lower-level where a large amount of office furniture was damaged. Missouri courts have found liability in similar cases. Privately-owned property was involved; CREO goals were not involved.
