**Details**

**Reason for Legislation**

To amend a contract with [University of Kansas Hospital \(KUMC\)](#) for HIV Medical Case Management for the period of March 1, 2014 to May 31, 2014. The amount of the amendment is **\$69,184.05**. This brings the total amount for the contract to \$313,795.05 for the period from March 1, 2013 to May 31, 2014.

**Discussion**

The purpose of this contract is to ensure that all residents living with HIV/AIDS within the 11 county Kansas City Transitional Grant Area (KC-TGA) receive HIV medical case management services according to the policies, procedures, and standards of practice outlined and published by the Missouri Department of Health and Senior Services. The KC-TGA bi-state region includes Cass, Clay, Clinton, Jackson, Johnson, Lafayette, Leavenworth, Miami, Platte, Ray, and Wyandotte Counties. Medical case management provides clients with access to HIV/AIDS primary care and other support services provided through the KC-TGA care system. Case managers also assist their clients with access to community services that supplement the services provided by the KC-TGA Care System.

The HIV Services program provided HIV/AIDS medical case management services for 2,452 unduplicated clients per month during the period from [March 2012](#) to [February 28 2013](#). These services are provided by approximately 40 medical case managers from six different agencies (Good Samaritan Project, Guadalupe Center, *Kansas City CARE Clinic*, Kansas City Missouri Health Department, Truman Medical Center, and the [University of Kansas Hospital](#)). Services funded by the Ryan White Part A grant are monitored for quality, programatic and fiscal integrity by the Kansas City Missouri Health Department, HIV Services Program.

*Between March 2012 to February 2013 [University of Kansas Hospital](#) provided case management support for 274 clients (11% of total case management clients for the KC-TGA)*

**Details**

**Is the contract good for the children?**

Yes. These services are provided to mothers and children living with HIV/AIDS. Last year, 20% of the 274 clients who received case management services from University of Kansas Hospital were women, youth, infants and children.

**How will this contribute to a sustainable Kansas City?**

Quality health care directly impacts the economic vitality, social equity and environmental quality of a community. Promoting and protecting citizens of Kansas City is the goal for all public health programs. Individuals living with HIV/AIDS are required to enroll in Medical Case Management to access Ryan White Part A medical services such as primary care, medications, oral health, mental health, substance abuse treatment services and insurance premium assistance. Funding for Medical Case Management ensures that residents living with HIV/AIDS within the Kansas City TGA receive appropriate health care services and treatment of their disease through federal, state and local funding resources.
