**Present:** Kevin O'Neill, Melissa Robinson, Eric Bunch, Johnathan Duncan and Lindsay French

#### FIRST READINGS

Water

**260175**      Sponsor: Director of Water Services Department

Authorizing a \$3,100,000.00 design professional services Amendment No. 2 to Contract No. 1672, with CDM Smith, Inc., for the Stormwater Collection and Green Infrastructure: 37th and Norton project; authorizing a total contract amount of \$5,300,000.00; and recognizing this ordinance as having an accelerated effective date.

Jacob Groh, Water Department and Steven Stuempfig, Burns & McDonald presented. This ordinance will complete the water design needed to finalize the project. The goal is to achieve 480 green infrastructure credits. Design work is expected to be completed this summer, with construction anticipated to begin around October. The project covers approximately 195 acres in the 3rd District and includes a centralized water basin near Seven Oaks Park designed as an open channel. There is potential to connect trails along the channel that would extend into the southern areas of the city. Outreach and public engagement were conducted during the first phase of the project, and final public engagement is scheduled to begin prior to construction. CDM Smith Inc. was present at the meeting. A copy of the presentation is on file with the City Clerk's Office.

Adv and Do Pass

**Aye:**              Chairperson O'Neill, Vice Chair Robinson, Councilmember Bunch,  
Councilmember Duncan and Councilmember French

**260176** Sponsor: Director of Water Services Department

Establishing Fund No. 8196, the 2026 SRF Sewer Revenue Bond Fund in the records of the City of Kansas City, Missouri; estimating revenue in the amount of \$100,000,000.00 in the 2026 SRF Sewer Revenue Bond Fund and appropriating the same; appropriating \$100,000,000.00 from the Unappropriated Fund Balance of the Sewer Fund; designating requisitioning authority; authorizing a \$156,641,576.00 progressive design-build contract Change Order No. 2 to Contract No. 1751 with Goodwin Bros. Construction Co., for the Blue River Wastewater Treatment Plant Grit Removal and Fine Screens Project for a total contract amount of \$170,564,112.00; authorizing a \$4,120,509.00 design professional services contract Amendment No. 2 and authorizing a \$4,500,000.00 design professional services contract Amendment No. 3 to Contract No. 1677 with Carollo Engineers, Inc., for the Blue River Wastewater Treatment Plant Facility Plan and Improvements Design project for a total contract amount of \$16,050,441.00; declaring the intent of the City to reimburse itself from the bond proceeds for certain expenditures; and authorizing the Director of Finance to close project accounts; and recognizing this ordinance as having an accelerated effective date.

Blake Anderson Water Department, presented. This ordinance authorizes several actions that will allow the city to avoid additional costs. It permits funds to be utilized and reimbursed across multiple contracts. The facility will support the removal and cleanup of grit and biosolids. It will include seven channels that combine all collected waste, which will then be hauled away in dumpsters. The treatment plant will service the Blue River wastewater treatment sites. Initial assessments for the project are currently approximately 60% complete. Carollo will oversee the work to ensure it is completed in a timely and properly phased manner, allowing funding to remain available for the City's remaining construction projects. This facility is required under the Clean Water Act and does not involve new technology for the City of Kansas City, as similar systems have been in use in other areas of the city for approximately one year. A copy of the presentation is on file with the City Clerk's Office.

Adv and Do Pass

**Aye:** Chairperson O'Neill, Vice Chair Robinson, Councilmember Bunch,  
Councilmember Duncan and Councilmember French

HELD IN COMMITTEE

## ADDITIONAL BUSINESS
