RESOLUTION NO. 260618

Sponsor: Mayor Quinton Lucas

RESOLUTION - Directing the City Manager to enter contract negotiations with United Way of Greater Kansas City for administration of an expanded Fountain Card program, a reloadable prepaid debit card and municipal identity platform, and authorization for the United Way to convene the necessary partner organizations to implement the program; and directing the City Manager to report back to Council within ninety days.

WHEREAS, United Way of Greater Kansas City has offered to serve as administrator for the Fountain Card program to direct card value to eligible residents for services; and

WHEREAS, an expanded Fountain Card platform also presents an opportunity to advance related City priorities, including a municipal identity credential and a unified payment interface for City services; and

WHEREAS, the Council finds it in the public interest to direct the City Manager to negotiate a contract with United Way of Greater Kansas City for administration of the program, and to authorize United Way to convene the partner organizations necessary to implement it; NOW, THEREFORE,

BE IT RESOLVED BY THE COUNCIL OF KANSAS CITY:

Section 1. That the City Manager is directed to enter negotiations for a contract with United Way of Greater Kansas City for administration of the Fountain Card program, including authority for United Way to convene and coordinate with the partner organizations necessary for program implementation.

Section 2. That the contract shall contemplate coordination with City partner organizations and City departments accepting resident payments and fees, a depository institution to hold unspent card funds, a card issuer and software platform to provide the prepaid debit card product and associated financial services interface, and such community service providers as United Way determines necessary to deliver program benefits to eligible residents.

Section 3. That the contract shall require that the program be designed and implemented to achieve the following objectives:

- A. A physical and digital card, functioning as a reloadable prepaid debit card;

- B. The ability for the City, relevant counties, and community partners to push funds onto cards supporting targeted delivery of benefits and subsidies;
- C. A cardholder software platform offering bill pay (as a foundation for a unified City payment portal), money transfer between accounts for unbanked and underbanked residents, and point-of-sale capacity allowing merchants to process payments at competitive rates;
- D. A municipal identity profile serving as the foundation for single sign-on access to City services; and
- E. Capture of merchant transaction fee revenue to support program administration.

Section 4. That the City Manager shall report back to the City Council within ninety (90) days of adoption of this Resolution with: (1) a summary of the contract with United Way of Greater Kansas City, (2) a description of the partner organizations United Way has identified or convened, and (3) recommendations for additional City Council action or appropriations required to advance the expanded Fountain Card program.

ORDINANCE NO. 260508

Sponsor: Mayor Quinton Lucas

Amending Chapter 70, Code of Ordinances, by repealing and replacing Section 70-1, Definitions; and amending Chapter 70, Code of Ordinances, by enacting a new Section 70-706 entitled “Electric bicycles — rights and privileges — label, requirements — modifications require new label — product safety standards — authorized to ride, where, exceptions — class 3 electric bicycles, special provisions” for the purpose of aligning definitions, operating requirements, and rights and privileges associated with electric bicycles with state law.

WHEREAS, the City of Kansas City Code of Ordinances Chapter 70, Article 1, Section 70-1 defines “Bicycle” to include an electric-assisted bicycle, as defined in the same section; and

WHEREAS, the City of Kansas City Code of Ordinances Chapter 70, Article 1, Section 70-1 defines an Electric-assisted bicycle as, a bicycle with two or three wheels that has a saddle and fully operable pedals for human propulsion and has an electric motor that: (1) Has a power output of not more than 1,000 watts, (2) Is incapable of propelling the bicycle at a speed of more than 20 miles per hour, (3) Is incapable of further increasing the speed of the device when human power alone is used to propel the vehicle at a speed of more than 20 miles per hour, and (4) Disengages or ceases to function when the vehicle's brakes are applied; and

WHEREAS, adopting a definition of “Electric bicycle” in place of “Electric-assisted bicycle” as distinct from “Bicycle,” and asserting specific regulations to address electric bicycles creates alignment between the City of Kansas City Code of Ordinances and the Missouri Revised Statutes, and enhances the interest of public safety on sidewalks, streets, and bike lanes; and

WHEREAS, the current definition of “Electric-assisted bicycle” in the Kansas City Code of Ordinances is inconsistent with the definition of “Electric bicycle” in the Missouri revised statutes and does not define electric bicycle classes and ridership requirements and restrictions; and

WHEREAS, it is in the interest of the City of Kansas City to further define and enforce regulations on electric bicycles, especially concerning riders under the age of 16; and

WHEREAS, City Council desires to redefine and classify electric bicycles, and to clarify regulations affecting electric bicycles in the Code of Ordinances to align with the Missouri Revised Statutes to promote public safety; NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

Section 1. That Chapter 70, Code of Ordinances of the City of Kansas City, Missouri, is hereby amended by repealing Section 70-1 and enacting in lieu thereof a new section of like number and subject matter, to read as follows:

Sec. 70-1. Definitions.

(a) The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Accident means a collision between a vehicle and another vehicle, railroad train, person or stationary object, or the overturn or upset of a vehicle which results in property damage, personal injury or death; or any entry into or emerging from a moving vehicle by a person which results in personal injury or death to such person.

Alley means a street or highway intended to provide access to the rear or side of lots or buildings in urban districts and not intended for the purpose of through vehicular traffic.

All-terrain vehicle means any motorized vehicle manufactured and used exclusively for off-highway use which is 50 inches or less in width, with an unladen dry weight of 600 pounds or less, traveling on three, four or more low-pressure tires, with a seat designed to be straddled by the operator and handlebars for steering control.

In a suite of rooms without kitchen facilities, each room which provides sleeping accommodations shall be counted as one lodging room for the purpose of this chapter.

Lodginghouse means a building, other than a hotel, where a room without meals or cooking privileges for five or more persons is provided for compensation.

Metal tire means every tire the surface of which in contact with the highway or street is wholly or partly of metal or other hard, nonresilient material.

Moped means a motor-driven cycle both with pedals to permit propulsion by human power and with a motor which produces not to exceed two brake horsepower and which is not capable of propelling the vehicle at a speed in excess of 30 miles per hour on level ground. If an internal combustion engine is used, the displacement shall not exceed 50 cubic centimeters; and the moped shall have a power drive system that functions directly or automatically without clutching or shifting by the operator after the drive system is engaged.

Motor home means every motor vehicle designed, used or maintained primarily as a mobile dwelling, office or commercial space.

Motor vehicle means every vehicle which is self-propelled, and every vehicle which is propelled by electric power obtained from overhead trolley wires but not operated upon rails, except vehicles moved solely by human power.

Motorcycle means every motor vehicle having a seat or saddle for the use of the rider and designed to travel on not more than three wheels in contact with the ground, but excluding a tractor.

Motor-driven cycle means every motorcycle, motor scooter or motorized bicycle having an engine with less than 150 cubic centimeters displacement or with five brake horsepower or less.

Motorman means a person who propels, drives, operates or who is in charge of a streetcar vehicle.

Nonresident means every person who is not a resident of this state.

Nonresident's operating privilege means the privilege conferred upon a nonresident by the laws of this state pertaining to the operation by such person of a motor vehicle, or the use of a vehicle owned by such person, in this state.

Official time standard means whenever certain hours are named in this chapter, they shall mean standard time or daylight saving time, as may be in current use in this city.

Official traffic control devices means all signs, signals, markings and devices not inconsistent with this chapter placed or erected by authority of a public body or official having jurisdiction, for the purpose of regulating, warning or guiding traffic.

Off-road vehicle means any vehicle designed for or capable of cross-country travel on or immediately over land, water, ice, snow, marsh, swampland or other natural terrain without benefit of a road or trail:

(1) Including, without limitation, the following:

a. Jeeps;

- b. All-terrain vehicles;
 - c. Dune buggies;
 - d. Multiwheel drive or low-pressure tire vehicles;
 - e. Vehicle using an endless belt or tread, or a combination of tread and low-pressure tires;
 - f. Motorcycles, trail bikes, minibikes and related vehicles; and
 - g. Any other means of transportation deriving power from any other source other than muscle or wind; and
- (2) Excluding the following:
- a. Registered motorboats;
 - b. Aircraft;
 - c. Any military, fire or law enforcement vehicle;
 - d. Farm-type tractors and other self-propelled equipment for harvesting and transporting farm or forest products;
 - e. Any vehicle being used for farm purposes, earth-moving or construction while being used for such purposes on the work site;
 - f. Self-propelled lawnmowers, or lawn or garden tractors, or golf carts, while being used exclusively for their designed purposes; and
 - g. Any vehicle being used for the purpose of transporting a handicapped person.

Operator means every person who drives or is in actual physical control of a vehicle.

Out of service means a temporary prohibition against the operation of a particular commercial motor vehicle, or the operation of a particular motor carrier.

Out of service order means a declaration by the Federal Highway Administration or any authorized enforcement officer of a federal, state, commonwealth or Puerto Rico, Canadian, Mexican or any local jurisdiction, that a driver, or a commercial motor vehicle, or a motor carrier operation, is out of service.

Owner means a person, other than a lienholder, having a property interest in or title to a vehicle. The term includes a person entitled to the use and possession of a vehicle subject to a security interest in another person, but excludes a lessee under a lease not intended as security.

Park and parking mean the standing of a vehicle, whether occupied or not, otherwise than temporarily for the purpose of and while actually engaged in loading or unloading property or passengers.

Passenger car means every motor vehicle, except motorcycles and motor-driven cycles, designed for carrying ten passengers or less and used for the transportation of persons.

Passenger loading zone means a place reserved for the exclusive use of vehicles while receiving or discharging passengers.

Pedestrian means any person afoot.

Personal identification card means a document issued by the department of revenue of the state for the sole purpose of identifying the bearer and not authorized for use as a driver's license.

Pole trailer means every vehicle without motive power designed to be drawn by another vehicle and attached to the towing vehicle by means of a reach or pole, or by being boomed or otherwise secured to the towing vehicle, and ordinarily used for transporting long or irregularly shaped loads such as poles, pipes or structural members capable, generally, of sustaining themselves as beams between the supporting connections.

Police officer means every officer of the police department or any officer authorized to direct or regulate traffic or to make arrests for violations of traffic regulations.

Private road or driveway means every way or place in private ownership and used for vehicular travel by the owner and those having express or implied permission from the owner, but not by other persons.

Railroad means a carrier of persons or property upon cars operated upon stationary rails.

Railroad sign or signal means any sign, signal or device erected by authority of a public body or official or by a railroad intended to give notice of the presence of railroad tracks or the approach of a railroad car.

Railroad train means a steam engine, electric or other motor, with or without cars coupled thereto, operated upon rails.

Registration means the registration certificate or certificates and registration plates issued under laws pertaining to the registration of vehicles.

Residential parking area means a contiguous or nearly contiguous area containing public streets or parts thereof primarily abutted by residential property or residential and nonbusiness property such as schools, parks, churches, hospitals and nursing homes.

Residential parking permit means a permit issued by the city or an issuing authority which confers certain parking privileges upon the driver of the car to which it is affixed.

Residential permit parking area or street means a residential parking area or a street where vehicles with an affixed residential parking permit may be parked in excess of posted parking.

Right-of-way means the right of one vehicle or pedestrian to proceed in a lawful manner in preference to another vehicle or pedestrian approaching under such circumstances of direction, speed and proximity as to give rise to danger of collision unless one grants precedence to the other.

Roadway means that portion of a street or highway improved, designed or ordinarily used for vehicular travel, exclusive of the sidewalk, berm or shoulder, even though such sidewalk, berm or shoulder is used by persons riding bicycles or other human-powered vehicles. If a street or highway includes two or more separate roadways, the term "roadway" as used in this chapter shall refer to any such roadway separately but not to all such roadways collectively.

Safety zone means the area or space officially set apart within a roadway for the exclusive use of pedestrians and which is protected or is so marked or indicated by adequate signs as to be plainly visible at all times while set apart as a safety zone.

School bus means every motor vehicle that complies with the provisions of this chapter and is used to transport pupils to or from school or in connection with school activities, but not including buses operated by common carriers in urban transportation of pupils.

School zone means any area upon or around any street, highway, roadway, or intersection which is visibly marked as an area where a school is located. The term "school zone" also includes the lanes of such street, highway, roadway or intersection leading up to the area upon which an activity described in this subsection is being performed, beginning at the point where appropriate signs or traffic control devices are posted or placed.

Semitrailer means every vehicle, with or without motive power, other than a pole trailer, designed for carrying persons or property and for being drawn by a motor vehicle and so constructed that some part of its weight and that of its load rests upon or is carried by another vehicle.

Sidewalk means that portion of a street between the curblines, or the lateral lines of a roadway and the adjacent property lines, intended for use by pedestrians.

Solid rubber tire means every tire of rubber or other resilient material which does not depend upon compressed air for the support of the load.

Stand and *standing* mean the halting of a vehicle, whether occupied or not, otherwise than temporarily for the purpose of and while actually engaged in receiving or discharging passengers.

Stop, when required, means complete cessation of movement.

Stop and *stopping, when prohibited*, mean any halting, even momentarily, of a vehicle, whether occupied or not, except when necessary to avoid conflict with other traffic or in compliance with the direction of a police officer or traffic control sign or signal.

Street means the entire width between boundary lines of every way publicly maintained when any part thereof is open to the use of the public for purposes of vehicular travel.

Streetcar or *streetcar vehicle* means an electrically driven rail transit vehicle designed for local public transportation that runs on rails let into the surface of the road and that is usually powered by electricity received from an overhead wire.

Streetcar authority means any person or entity contracting with the city to oversee and administer the management and operations of any streetcar system.

Streetcar operator means the professional transportation company hired by the city or streetcar authority pursuant to a contract to manage and operate any streetcar system.

Streetcar service line means any rail, track, appurtenance, or facility located within a public right-of-way that is authorized by the city to be used for streetcars.

Streetcar stop or station means a designated stop or shelter or any facility operated for a streetcar service line or served by a streetcar operator, including a reasonable area immediately adjacent to any designated stop along the route traveled by any streetcar operated by a streetcar operator, and parking areas provided by a streetcar operator adjacent to a station.

Taxicab means a public passenger motor vehicle with a rated passenger-carrying capacity of five or less, exclusive of the driver, furnished for hire on a call or demand basis to transport persons, packages or messages where the route traveled and trip destination are controlled by the passenger and at a charge or fare based upon time and mileage and recorded and indicated on a taximeter.

Through highway or street means every highway or street or portion thereof on which vehicular traffic is given preferential right-of-way, and at the entrances to which vehicular traffic from intersecting highways or streets is required by law to yield the right-of-way to vehicles on such through highway or street in obedience to a stop sign, yield sign or other official traffic control device, when such signs or devices are erected as provided in this chapter.

Tow vehicle means any motor vehicle designed or equipped to, or which does in fact provide for hire, and towing service, including but not limited to towing, lifting, or extraction of any vehicle, pushing of vehicles, engine starting, roll back pick up or recovery, and the carrying or transporting of any vehicle.

Tow vehicle operator means any person who drives a tow vehicle, operates the equipment mounted on or contained within a tow vehicle, or assists in the operation of a tow vehicle or its equipment, including any and all acts and functions incident to the movement of a tow vehicle from place to place, as well as all acts involved in the towing of any vehicle by the tow vehicle.

Traffic means pedestrians, ridden or herded animals, vehicles and other conveyances, either singly or together, while using any street or highway for purposes of travel.

Traffic control signal means any device, whether manually, electrically or mechanically operated, by which traffic is alternately directed to stop and permitted to proceed.

Trailer means every vehicle with or without motive power, other than a pole trailer, designed for carrying persons or property and for being drawn by a motor vehicle and so constructed that no part of its weight rests upon the towing vehicle.

Truck means every motor vehicle designed, used or maintained primarily for the transportation of property.

Truck tractor means every motor vehicle designed and used primarily for drawing other vehicles and not so constructed as to carry a load other than a part of the weight of the vehicle and load so drawn.

Vehicle means every device in, upon or by which any person or property is or may be transported or drawn upon a street or highway, excepting devices used exclusively upon stationary rails or tracks.

Vehicle identification number means the numbers and letters, if any, designated for the purpose of identifying the vehicle or the unique identifier assigned to each vehicle by the manufacturer pursuant to regulations.

(b) Whenever any words and phrases used in this chapter are not defined in this section but are defined in the state or federal laws regulating the operation of vehicles, any such definition in the state or federal law shall be deemed to apply to such words and phrases used in this chapter, except when the context otherwise requires.

Section 2. That Chapter 70, Code of Ordinances, is hereby amended by enacting a new Section 70-706 entitled “Electric bicycles — rights and privileges — label, requirements — modifications — require new label — product safety standards — authorized to ride, where, exceptions — class 3 electric bicycles, special provisions.”, to read as follows:

Sec. 70-706. Electric bicycles — rights and privileges — label, requirements — modifications

require new label — product safety standards — authorized to ride, where, exceptions — class 3 electric bicycles, special provisions.

(a) Except as otherwise provided in this section, every person riding an electric bicycle shall be granted all of the rights and shall be subject to all of the duties applicable to the operator of a bicycle. An electric bicycle shall be considered a vehicle to the same extent as a bicycle.

(b) An electric bicycle or a person operating an electric bicycle is not subject to provisions of law that are applicable to motor vehicles, all-terrain vehicles, off-road vehicles, off-highway vehicles, motor vehicle rentals, motor vehicle dealers or franchises, or motorcycle dealers or franchises, including vehicle registration, certificates of title, drivers' licenses, and financial responsibility.

(c) Manufacturers and distributors of electric bicycles shall apply a permanent label to each electric bicycle. The label, which shall be affixed to the electric bicycle in a prominent location, shall contain the classification number, top assisted speed, and motor wattage of the electric bicycle. The text on the label shall be Arial font and in at least nine-point type.

(d) No person shall tamper with or modify an electric bicycle so as to change the motor-powered speed capability or engagement of an electric bicycle unless he or she replaces the label required under subsection 3 of this section with a new label indicating the new classification.

(e) An electric bicycle shall comply with the equipment and manufacturing requirements for bicycles adopted by the United States Consumer Product Safety Commission, 16 CFR 1512.

(f) An electric bicycle shall operate in a manner so that the electric motor is disengaged or ceases to function when the rider stops pedaling or when the brakes are applied.

(g) An electric bicycle may be ridden where bicycles are permitted to travel, subject to the following provisions:

- (1) An electric bicycle may be ridden on bicycle or multi-use paths where bicycles are permitted;
- (2) Following notice and a public hearing, a municipality or local authority having jurisdiction over a bicycle or multi-use path may prohibit the operation of a class 1 electric bicycle or class 2 electric bicycle on that path if it finds that such a restriction is needed for safety reasons or compliance with other laws or legal obligations;
- (3) A municipality or local authority having jurisdiction over a bicycle or multi-use path may prohibit the operation of a class 3 electric bicycle on that path; and

- (4) The provisions of this subsection shall not apply to a trail that is specifically designated as nonmotorized and that has a natural surface tread that is made by clearing and grading the native soil with no added surfacing materials. A local authority having jurisdiction over a trail described in this subsection may regulate the use of an electric bicycle on that trail.

(h) The use of class 3 electric bicycles shall be subject to the following provisions:

- (1) No person under sixteen years of age shall operate a class 3 electric bicycle. A person under sixteen years of age may ride as a passenger on a class 3 electric bicycle that is designed to accommodate passengers; and
- (2) All class 3 electric bicycles shall be equipped with a speedometer that is capable of displaying the speed an electric bicycle is traveling in miles per hour.
