Executive Summary

Amending Chapter 2, Code of Ordinances, Administration, by repealing and replacing Sections 2-2151, 2-2152, 2-2153 and 2-2154, for the purpose of enhancing the film development program to better support the evolving needs of Kansas City's creative industry and align more directly with the state of Missouri's film incentive program.

Discussion

Kansas City's film development program, established in 2016 through Ordinance No. 160093, was designed to encourage film production and attract the creative industry to the city. Recognizing the economic, cultural, and social benefits of a vibrant film industry, including job creation, tourism, and local business opportunities, the City now seeks to update its program to align with the 2023 Missouri Motion Media Production Tax introduced under the Show MO Act. These updates aim to reduce duplicative efforts, adapt to industry trends, support local talent, and provide enhanced resources and incentives to meet the evolving needs of filmmakers and production teams.
