

## Interdepartmental Communication

**DATE:** May 11, 2018

**TO:** Chairperson Reed and Members of the Transportation and Infrastructure Committee

**FROM:** Sherri K. McIntyre, P.E., Director of Public Works

**SUBJECT:** Traffic Regulations Ordinance

Attached is a listing of TRAFFIC REGULATIONS which the Public Works Department initiated nearly 90 days ago. These regulations have undergone a period of test and evaluation and the Department is now preparing an Ordinance Request to make these regulations permanent. This list includes:

REGULATION	ORIGINATION DATE
No. 64077 through 64100	October 27, 2017
No. 64101 through 64125	December 7, 2017
No. 64126 through 64153	December 20, 2017
No. 64154 through 64160	February 7, 2018
No. 64161 through 64202	March 29, 2018
No. 64203 through 64237	March 29, 2018

These regulations consist of various removals and installations of traffic control devices and signs. A description of the reasons these changes are recommended accompanies each entry on the listing.

In accordance with the Committee request, we are providing you advance information concerning the Ordinance we propose to introduce. Within the next few days this Ordinance Request will be filed with the City Clerk and appear on the Council Docket.

If you wish additional information or have questions or comments about any of the REGULATIONS which we recommend to become permanent, please contact my staff.

Approved
