Executive Summary

Declaring a temporary moratorium on certain property transactions within the 18th and Vine District; and directing the City Manager to develop a comprehensive redevelopment and rezoning plan for the area.

Discussion

The 18th and Vine District is experiencing significant momentum driven by public and private investment and redevelopment activity. The 18th and Vine community and the City of Kansas City, as a major investor in the district, have a shared interest in preserving and strengthening the area's culture, history, relevance, and long-term economic success. The City supports the creation of an 18th and Vine Community Improvement District to facilitate collaboration among property owners, businesses, developers, tenants, event organizers, residents, and other stakeholders regarding the future of the district. The City Council finds that a coordinated redevelopment strategy is necessary to ensure long-term success and community benefit.
