

# Supply of Deicing Salt

## Ordinance:

4/1/2025

Finance, Governance and Public Safety Committee

## Procurement Process

- Citywide Supply of Deicing Salt - General Services Contract
- City Bid Issued 1/23/25 Closed 2/28/25
- Two responses: Central Salt LLC and Independent Salt Company
- Awarded to Central Salt
  - \$53.06/ton
- Estimated to exceed \$1M annually
- MWBE are exempted per CREO annual goals manual

This project will improve the performance and infrastructure of the City's operations related to snow removal and road access

This Supply contract will begin in FY25. Invoices will be submitted by the contracted firm twice per year. Deicing salt shall be delivered at no charge to any designated locations of Jackson County, Missouri, Platte County, Missouri and Clay County, Missouri as stated on the purchase order.

This supply of Salt ensures that the city has the necessary quantity ahead of the winter and ensures the continuous maintenance of the city's existing infrastructure.

Upon the expiration of this project, the City may renew the contract up to five additional one-year terms.
