My esteemed public servants,

My name is Melissa Civil, I'm a leader with KC tenants and a resident of the third district. It has been brought to my attention that a slew of land lords may have crept into your mailboxes and your minds.

I simply must stress the urgency and remind you that every day that Right To Counsel is not written into our policies, is a day that families are dispossessed from all they know.

Your constituents are calling out. And their request is something that takes nothing from anyone that isn't already there for them, and ADDS so much to the quality and value of their life.

Pass Right To Counsel Today. Do what you know is right.

Sincerely, and hopefully signed, your constituent,  
-Melissa Ferrer Civil
