Authorizing a construction work order contract

Details

Brie

Reason for Contract

This construction project will be performed to repair streets, roads and other areas damaged due to water, wastewater and stormwater infrastructure improvements.

Discussion

Project Justification

KC Water is undertaking this project to restore areas damaged due to water main breaks, sanitary sewer and stormwater infrastructure improvements.

Project Description

The scope of work to be provided under this contract entails repairing streets and adjacent curbs, sidewalks, driveways, yards, and other site-specific work as needed. If needed, some work may be performed to repair deteriorated areas at various KC Water facilities.

Unit prices for the work to be completed under this contract were set based on the bids received. Therefore, KC Water proposes a not to exceed \$5,500,000.00 contract to complete restoration work orders.

This ordinance also authorizes the Director of Water Services to execute one successive one-year renewal option for this contract without additional City Council approval.

Proposed Contract:	\$5,500,000.00
Renewal #1:	\$6,500,000.00
Total:	\$12,000,000.00
