LEGISLATION IN BRIEF:

Distribution Antennae System (DAS) License Agreement with New Cingular Wireless PCS, LLC at the New Terminal at Kansas City International Airport.

What is the reason for this legislation?

Authorizing a Distribution Antennae System (DAS) License Agreement between the City of Kansas City, Aviation Department and New Cingular Wireless PCS, LLC at the New Terminal at Kansas City International Airport.

Discussion (including relationship to other Council actions)

Project Description

KCAD has installed a common Distribution Antennae System (cDAS) to enhance cellular coverage within the New Terminal. The DAS license agreement provides New Cingular Wireless PCS, LLC to utilize the system.

Term

The term of the agreement is for ten years with two, five year automatic renewals, unless either elects not to renew by written notification.

Financials

The agreement requires a Capital Contribution of $4,436,334 to be paid in 3 installments and an annual access fee of $118,296 annually, with a 2% annual escalation cost for the access fee for a total of approximately $5,619,294 during the inital 10 year term. This does not include utility fees for 5G service that are a direct pass through to Verizon
