Subject: Support Ordinance 220961
Date: Tuesday, November 29, 2022 11:04:52 AM

To whom it may concern,

As a resident of Kansas City, employee in the central business district, bicyclist, and pedestrian I want to show my support for this ordinance to preserve and expand tree coverage in our community. Not only is it vital to combatting the effects of climate change but it helps improve the aesthetic and walkability of our neighborhoods.
