Subject: Support Ordinance 220961
Date: Thursday, December 1, 2022 4:23:58 PM

Please work to ensure preservation and growth of tree coverage in our city. Even though I live on the KS side, I work in midtown KCMO and green space and tree coverage are VITAL resources to fight against climate change, improve safety, and increase quality of life for all KC metro residents and visitors. Please support Ordinance 220961.
