

Housing Trust Fund Project Recommendations

February 1, 2023

Neighborhood Planning and Development Committee

What is the Housing Trust Fund?

- Established in 2018 by Ord. 180719 to implement neighborhood revitalization, housing development, and preservation projects in accordance with the City's housing policy.
- In 2021, Ord. 210873 established the process by which funds would be allocated from the Housing Trust Fund.
 - Created the Housing Trust Fund Board to review applications and recommend projects to Council through a bi-annual RFP process.
 - Named priorities and requirements to guide the review and evaluation of projects.
- For this RFP, up to **\$11,380,000.00** was available to award to projects.

What is the Housing Trust Fund?

GUIDANCE PROVIDED BY ORDINANCE 210873

PRIORITIES:

- The longer the length of the affordability the higher the priority.
- Depth of affordability, with higher priority for projects that serve very low (50% AMI) and extremely low (30% AMI) households.
- Number of affordable units created per HTF dollar invested.
- Projects which include a higher percentage of units suitable for families (2+ bedrooms).
- Social housing opportunities (co-ops, land trusts, etc.).

What is the Housing Trust Fund?

GUIDANCE PROVIDED BY ORDINANCE 210873

FUNDING MINIMUMS:

- At least 20% for Affordable Rental Creation
- At least 20% for Affordable Rental Preservation
- At least 10% for Transitional Housing and Permanent Supportive Housing
- At least 10% for Homeownership support and/or retention programs

General comments from the Board

The Housing Trust Fund is a central piece of the City's efforts to address our shortage of affordable housing.

- Unanimous vote
- Many strong applications submitted
- Appreciation for the \$50 million bond, which will allow the work to continue
- Clear demand for additional resources
- Seeking feedback from applicants and community members

Overview of applications received

34 applications were received, requesting a total of \$63.7 million across the four categories specified in the HTF ordinance.

Applications by Council District:

- 61% of applications received were in the 3rd District (compared to 77% in RFP 1).
- 6 applications were for projects in the 4th District, 4 applications were for projects in the 5th District, and 2 applications were for projects in the 6th District.

19 of the applicants were non-profits, and 15 of the applicants were for-profit entities.

11 of the applicants sought loans, and 23 sought grants.

Considerations that guided evaluation

Satisfying ordinance requirements

- Maximum percent of total development costs that may be awarded per project.
- Meeting priorities, funding requirements, and minimum affordability period.
- Compliance with set-aside requirements.

Project readiness

- Do they have site control?
- How far along are they in fundraising? Have they secured other non-City funds?
If they applied for LIHTC, were they successful?
