Subject: Support Ordinance 220961
Date: Saturday, February 4, 2023 12:36:31 PM

Good afternoon,

Please support Ordinance 220961 and continue to explore other ways to promote our urban canopy and protect residents and businesses from excessive heat, rainfall, and air pollution. I also encourage the city to continue to work with developers to find ways to minimize delays and limit the burden of compliance with city regulations.

Thank you,
Peter
