Subject: Support Ordinance 220961
Date: Monday, February 6, 2023 9:32:47 AM

As a life-long Kansas Citian and current voter of the 6th district, I want you to support ordinance 220961. Protect our city's greenscapes that actively combat our blistering summer sun as they reduce heat islands and combat global climate change. Thank you for your support on this issue.
