Subject: SUPPORT Ord. 220961: Protect KC by Protecting Our Trees
Date: Tuesday, March 14, 2023 1:07:05 PM

Please vote YES to Ordinance number 220961 to uphold Kansas City's commitment to the health, well-being, and future of all residents. Passing this ordinance is an important piece of our climate action plan, and it will ensure we are protecting the resources that protect us from climate change and health impacts, while ensuring vital resources get to neighborhoods most negatively affected by public health and climate impacts in our city. Please vote Yes to Ordinance 220961

Thank you
