Dear Public Testimony Public Testimony,

As a long time Hyde Park resident, I'm asking you to please vote in favor of Resolution #230257 and keep the mobility recommendations in place and unchanged.

I've watched my own neighborhood change dramatically over the past 20 years. I've seen more and more neighbors walking and biking. It makes the city feel infinitely more liveable. With easy car-free options, people will get out to spend more money.

Please keep mobility options in place for our city to make it an even more desirable place to live.

Regards,
