This requirement shall be satisfied prior to a certificate of occupancy.

16. The developer shall submit a streetscape plan with street tree planting plan per 88-425-03 for approval and permitting by the Parks and Recreation Department's Forestry Division prior to beginning work in the public right-of-way

17. The developer shall submit verification of vertical and horizontal sight distance for the drive connection to public right-of-way to the Land Development Division and make improvements to ensure local jurisdiction and/or minimum AASHTO adequate sight distance standards are met, prior to issuance of any certificate of occupancy.

18. The developer shall pay impact fees as required by Chapter 39 of the City's Code of Ordinances, as required by the Land Development Division.

19. The developer shall have a water flow test done to ensure there is adequate water pressure to serve the development.

20. The developer shall ensure that water and fire service lines should meet current Water Services Department rules and regulations prior to a certificate of occupancy.

21. Water/sewer service lines shall serve only one lot or tract and shall not cross a separate lot or tract.

22. All onsite water mains and fire hydrants shall be private.

23. The developer shall provide a storm drainage letter indicating that the total disturbed area for this project is less than 10,000 square feet and request an exception for the storm water management requirements for the site.

24. The developer shall work with the Kansas City Water Services Department to provide an indemnification agreement for the portion of the public sanitary sewer that is currently located beneath existing buildings prior to the issuance of any building permits.

25. The developer shall provide a signed and sealed letter from a Missouri professional engineer to request an exception to the City's stream buffer ordinance based on the current condition of the site and previous development prior to the adoption of the stream buffer ordinance.

A copy of said development plan is on file in the office of the City Clerk with this ordinance and is made a part hereof.

Section B. That the Council finds and declares that before taking any action on the proposed amendment and development plan hereinabove, all public notices and hearings required by the Zoning and Development Code have been given and had.
