

Re: Public Testimony, Kansas City Missouri

16 August 2021

As an Infectious Diseases physician practicing in Kansas City Missouri, I am writing to ask that you vote "yes" for Ordinance 210694. I have witnessed the needless suffering of many Kansas Citizens with COVID-19. Many of my patients have not survived COVID-19 and its complications. Wearing a mask indoors is a simple and effective strategy to reduce COVID-19 disease transmission. I urge you to vote "yes" for Ordinance 210694.

Sincerely,

Marjorie Wongs, MD
