88-110-03-B. USE CLASSIFICATION SYSTEM

For the purpose of this zoning and development code, uses are classified into "use groups," "use categories," and "specific use types." These are described and defined in 88-805. The first column of Table 110-1 lists the groups, categories, and types allowed in one or more R districts.

88-110-03-C. PERMITTED USES

Uses identified with a "P" in Table 110-1 are permitted as-of-right in the subject zoning district, subject to

88-130-04 USES

88-130-04-A. USE TABLE

Uses are allowed in the D zoning districts in accordance with Table 130-1, below.

88-130-04-B. USE CLASSIFICATION SYSTEM

For the purpose of this zoning and development code, uses are classified into "use groups," "use categories," and "specific use types." These are described and defined in 88-805. The first column of Table 130-1 lists the groups, categories, and types allowed in one or more D districts.

88-130-04-C. PERMITTED USES

Uses identified with a "P" in Table 130-1 are permitted as-of-right in the subject zoning district, subject to compliance with any use standards identified in the final column of the table and all other applicable standards of this zoning and development code.

88-130-04-D. SPECIAL USES

Uses identified with an "S" in Table 130-1 may be allowed if reviewed and approved in accordance with the special use permit procedures of 88-525. Special uses are subject to compliance with any use standards identified in the final column of the table and all other applicable standards of this zoning and development code.

88-130-04-E. PROHIBITED USES

Uses not listed in the use table and those identified with a "-" are expressly prohibited.

88-130-04-F. USE STANDARDS

The "use standards" column of Table 130-1 identifies use-specific standards that apply to some uses. Compliance with such standards is required regardless of whether the use is permitted as-of-right or requires special use approval.

88-130-04-G. SPECIAL STANDARDS ADJACENT TO AND WITHIN 150 FEET OF PARKS, BOULEVARDS, AND PARKWAYS

Additional regulations and restrictions on uses adjacent to parks, boulevards and parkways are imposed in

table 130-1, as follows:

1. Uses identified with a bracketed numeral one "[1]" are prohibited adjacent to and within 150 feet of any park, boulevard, or parkway.
2. Uses identified with a bracketed numeral two "[2]" require special use permit approval if adjacent to and within 150 feet of any park, boulevard, or parkway. (Refer to special use permit procedures in 88-525).
3. Uses identified with a bracketed numeral three "[3]":
 - a. are prohibited adjacent to and within 150 feet of any park or boulevard or within a development node, and
 - b. require special use permit approval if adjacent to and within 150 feet of any parkway.

Land use restrictions apply to property adjacent to and within 150 feet of parks, boulevards, and parkways. The 150-foot distance is measured from the nearest edge of the right-of-way of the boulevard or parkway or the property boundary of the park to the nearest property line of the lot occupied by, or proposed to be occupied by, the restricted use type. These restrictions apply only to that portion of the adjacent property (parcel or lot) located within 150 feet of the park, boulevard, or parkway.

Further, all uses or development adjacent to and within 150 feet of any boulevard or parkway (not including a park) and within ¼ mile of a development node shall comply with Boulevard and Parkway Standards per 88-323.

Boulevard and Parkway Standards (88-323) apply to property adjacent to and within 150 feet of boulevards and parkways (not parks). The 150-foot distance is measured from the nearest edge of the right-of-way of the boulevard or parkway to the nearest property line of the lot occupied by, or proposed to be occupied by, the regulated land use. The standards apply only to that portion of the adjacent property (parcel or lot) located within 150 feet of the boulevard or parkway.

88-140-03 USES

88-140-03-A. USE TABLE

Uses are allowed in M zoning districts in accordance with Table 140-1, below.

88-140-03-B. USE CLASSIFICATION SYSTEM

For the purpose of this zoning and development code, uses are classified into "use groups," "use categories," and "specific use types." These are described and defined in 88-805. The first column of Table 140-1 lists the groups, categories, and types allowed in M districts.

88-140-03-C. PERMITTED USES

Uses identified with a "P" in Table 140-1 are permitted as-of-right in the subject zoning district, subject to compliance with any use standards identified in the final column of the table and all other applicable standards of this zoning and development code.

88-140-03-D. SPECIAL USES

Uses identified with an "S" in Table 140-1 may be allowed if reviewed and approved in accordance with the special use permit procedures of 88-525. Special uses are subject to compliance with the use standards identified in the final column of the table and all other applicable standards of this zoning and development code.

88-140-03-E. PROHIBITED USES

Uses not listed and those identified with a "-" are expressly prohibited.

88-140-03-F. USE STANDARDS

The "use standards" column of Table 140-1 identifies use-specific standards that apply to some uses. Compliance with such standards is required regardless of whether the use is permitted as-of-right or requires special use approval.

88-140-03-G. SPECIAL STANDARDS ADJACENT TO AND WITHIN 150 FEET OF PARKS, BOULEVARDS, AND PARKWAYS

Additional regulations and restrictions on uses adjacent to parks, boulevards and parkways are imposed in table 140-1, as follows:

1. Uses identified with a bracketed numeral one "[1]" are prohibited adjacent to and within 150 feet of any park, boulevard, or parkway.
2. Uses identified with a bracketed numeral two "[2]" require special use permit approval if adjacent to and within 150 feet of any park, boulevard, or parkway. (Refer to special use permit procedures in 88-525).
3. Uses identified with a bracketed numeral three "[3]":
 - a. are prohibited adjacent to and within 150 feet of any park or boulevard or within a development node, and
 - b. require special use permit approval if adjacent to and within 150 feet of any parkway.

Land use restrictions apply to property adjacent to and within 150 feet of parks, boulevards, and parkways. The 150-foot distance is measured from the nearest edge of the right-of-way of the boulevard or parkway or the property boundary of the park to the nearest property line of the lot occupied by, or proposed to be occupied by, the restricted use type. These restrictions apply only to that portion of the adjacent property (parcel or lot) located within 150 feet of the park, boulevard, or parkway.

Further, all uses or development adjacent to and within 150 feet of any boulevard or parkway (not including a park) and within ¼ mile of a development node shall comply with Boulevard and Parkway Standards per 88-323.

Boulevard and Parkway Standards (88-323) apply to property adjacent to and within 150 feet of boulevards and parkways (not parks). The 150-foot distance is measured from the nearest edge of the right-of-way of the boulevard or parkway to the nearest property line of the lot occupied by, or proposed to be occupied by, the regulated land use. The standards apply only to that portion of the adjacent property (parcel or lot) located within 150 feet of the boulevard or parkway.

Section 2. That Chapter 88, Code of Ordinances, is hereby amended by repealing Section 88-260-03, Use Regulations and Lot and Building Standards (Urban Redevelopment) and Section 88-280-04, Use Regulations and Lot and Building Standards (Master Planned Development), and enacting in lieu thereof new sections of like number and subject matter, which said new sections to read as follows:

88-260-03 USE REGULATIONS AND LOT AND BUILDING STANDARDS

Properties within the UR district are subject to the use regulations and lot and building standards established at the time of preliminary development plan approval by the city council. The use and development standards established for the subject UR district must be in general conformance with the approved area plan and be compatible with desirable land use and development patterns in the surrounding area.

Short-term rental use as defined in Chapter 56 of this code of ordinances shall be allowed as follows:

(1) non-resident short term rentals as defined in Chapter 56 of this code of ordinances shall be allowed subject to the requirements of Chapter 56 of this code of ordinances, including the prohibition on non-resident short term rentals operating in structures or on a parcel that receives any City incentives, when a previously approved UR preliminary development plan is not exclusively comprised of uses in the residential use group as defined by Section 88-805-02 of this zoning and development code, or in the case of a proposed UR preliminary development plan when such plan is not exclusively comprised of uses in the residential use group as defined by Section 88-805-02 of this zoning and development code and when the Council expressly authorizes non-resident short term rentals when approving the UR preliminary development plan. In the event that an UR preliminary development plan is later amended to remove the non-residential use component of the plan, or in the event a final UR plan proposes removing the non-residential use component of the plan, non-resident short term rentals shall not be allowed.

(2) resident short-term rentals as defined in Chapter 56 of this code of ordinances shall be allowed.

88-280-04 USE REGULATIONS AND LOT AND BUILDING STANDARDS

The use regulations and lot and building standards that apply within a MPD zoning district must be established at the time of preliminary development plan approval by the city council. Allowed uses, residential densities and nonresidential intensities must be consistent with any approved plans for the area.

Short-term rental use as defined in Chapter 56 of this code of ordinances shall be allowed as follows:

(1) non-resident short term rentals as defined in Chapter 56 of this code of ordinances shall be allowed subject to the requirements of Chapter 56 of this code of ordinances only when a previously approved MPD preliminary development plan approves a development that is not exclusively comprised of uses in the residential use group as defined by Section 88-805-02 of this zoning and development code, or in the case of a proposed MPD preliminary development plan when such plan is not exclusively comprised of uses in the residential use group as defined by Section 88-805-02 of this zoning and development code and when the Council expressly authorizes non-resident short term rentals when approving the MPD preliminary development plan. In the event that a MPD preliminary development plan is later amended to remove the non-residential use component of the plan, or in the event a final MPD plan proposes removing the non-residential use component of the plan, non-resident short term rentals shall not be allowed.

(2) resident short-term rentals as defined in Chapter 56 of this code of ordinances shall be allowed.
