(a) The Director of Health may issue an administrative citation for violations of any provision of this Chapter in lieu of the penalty provisions of section 46-50.

(b) The administrative citation fine amount for a first violation under the provisions of this Chapter shall be \$100.00 and each day that a violation continues shall constitute a separate offense for which the violator may be fined.

(c) The administrative citation fine for repeat violations of the same City Code provision by the same person within 12 months from the date of the first violation shall be as set forth in the following schedule and each day that a violation continues shall constitute a separate offense for which the violator may be fined:
