COMMITTEE SUBSTITUTE FOR RESOLUTION NO. 220956

Sponsors: Mayor Quinton Lucas and Councilmember Kevin McManus

Establishing the City of Kansas City’s major legislative priorities and positions on matters for the 2023 session of the Missouri General Assembly.

WHEREAS, the Missouri General Assembly will convene on January 4, 2023; and

WHEREAS, the City seeks to elevate local positions in statewide policy debates, which deeply impact the lives of Kansas Citians; NOW, THEREFORE,

BE IT RESOLVED BY THE COUNCIL OF KANSAS CITY:

Section 1. **MAJOR PRIORITIES.** That the City adopts the following major priorities on matters that may come before the 2023 session of the Missouri General Assembly:

**1. Local Decision Making.** Support legislative action to return the Kansas City Police Department to local control and provide the city and its residents with equivalent control over budgeting and policy decision to every other municipality in the state. Any state-imposed funding mandate such as a minimum budget requirement for law enforcement agencies should be fulfilled with state funds, in compliance with the Missouri State Constitution.

**2. Promoting Tax Uniformity in the Accommodation Industry.** Amend Missouri Revised Statutes

Sections 92.325, 92.327 and 92.331 to ensure residential dwelling rentals are subject to the same tax obligations as similarly situated accommodation providers.

3. **Housing Affordability and Homelessness Prevention.** Protect and expand state housing programs - like the state housing tax credit - that incentivize the production and preservation of affordable housing units, including permanent supportive housing for people exiting homelessness. Increase state support for cities and counties with higher numbers of people experiencing homelessness and/or housing cost-burden.
4. **Recidivism Reduction.** Support evidence-based policies proven to reduce recidivism, including funding workforce programs, capping or eliminating the cost of in-prison phone calls to ensure continued family connections after release, and join 90% of states around the country in providing gate money to people upon release from prison.
5. **Capturing Revenue through Regulated Sports Gaming.** Support legislative action to regulate sports gaming and ensure revenues are captured for education, youth programming and transportation infrastructure at both the state and local levels, to level the playing field with surrounding states that are already capturing this business.

Section 2. **POSITIONS.** That the City adopts the following positions on matters that may come before the 2023 session of the Missouri General Assembly:

### *Finance & Governance*

- **Access to Democracy.** Legislative action that extends early voting, allows for same-day voter registration, and removes voter ID requirements.
- **City Contracting.** Amend Section 8.250 of the Revised Statutes of Missouri, to provide an exception for charter cities so the City can continue to award contracts to the lowest and best bidder.
- **Discriminatory Laws.** Oppose legislation that would be reasonably viewed as discriminatory toward any citizen of the State of Missouri and harmful to its economy and support legislative efforts to provide additional protections under the Missouri Human Rights Act, such as the Missouri Nondiscrimination Act (MONA), to prohibit discrimination in employment and housing.
- **Earnings Tax.** Oppose efforts to undermine or eliminate the Earnings Tax. Support the extension of the Earnings Tax renewal period to strengthen the City's bond rating.
- **Effective Marijuana Regulation.** Support capture of local tax revenues from regulated marijuana. Support the end of sentences and expedited expungement of records for all nonviolent marijuana offenses, regardless of the quantity of marijuana involved in the original conviction. Oppose fines for smoking marijuana in public. Support open and transparent licensing practices to ensure equitable and reparative access to the industry.
- **Efficiency in Tax Administration.** Amend Section 32.057 of the Revised Statutes of Missouri to allow

cities to use sales and use tax data to enforce City taxes, so long as confidentiality is maintained.

- **Gender Equity in Taxation.** Support efforts to exempt diapers and menstrual products from sales tax.
- **Liability Exposure.** Amend Section 84.710 of the Revised Statutes of Missouri to prevent the City from having to pay and defend lawsuits in which we have no involvement. Amend Section 213.111.2 of the Revised Statutes of Missouri to exempt governments from punitive damages, from which state agencies and commissions are already exempted.
- **Parity in Access to State Tax Refunds.** Amend Section 143.782 of the Revised Statutes of Missouri to include “political subdivisions” to allow for a refund offset program with the Missouri Department of Revenue.

- **Video Lottery Terminals.** Oppose efforts to legalize Video Lottery Terminals (VLTs), particularly in Missouri home dock cities.

### *Health & Public Safety*

- **Childhood Lead Exposure.** Update lead level testing requirements, based on forthcoming recommendations of the Missouri Department of Health and Social Services’ advisory board, to reduce childhood lead exposure.

- **Health Insurance Coverage.** Support efforts to increase access to health care by expanding health insurance coverage, including extending postpartum Medicaid coverage to 12 months and providing 12 months of continuous coverage for children. Oppose legislation that would decrease access to health insurance for low-income Missourians.

- **Safe Parks and Public Spaces.** Support Blair's law legislation that will make discharging a firearm within or into city limits with criminal negligence a state offense.

### *Housing, Community & Economic Development*

- **Access to Homeownership.** Expand availability of down payment and closing cost assistance programs and low- or zero-interest mortgages for first-time homebuyers.
- **Addressing Blight and Vacancy.** Authorize local governments to impose a tax or levy higher fines on corporations that leave residential properties vacant or blighted to incentivize refurbishing and renting or selling such properties.
- **Liquor Licensing Reform.** Amend Section 311.096 of the Revised Statutes of Missouri to allow open containers of liquor in designated premises during large festivals and events. Support efforts to raise liquor license fees, many of which have not increased since licensing was established in 1939.
- **Missouri Film Rebate Program.** Reinstate the Missouri Film Rebate Program, as a tool for economic development.
- **Quality Child Care.** Support efforts to increase the accessibility of full-day and full-year quality birth through Pre-K programs for all Missouri students.

Support legislative action to allow cities to raise the minimum wage above the rate mandated statewide.
- **Tourism, Travel, and Special Events.** Support an additional \$1 million in appropriations for the City's Convention and Sports Complex Fund, as authorized by Section 67.641 of the Missouri Revised Statutes. Support funding for organizations involved in promoting and hosting tourism, travel, sports, or other special events.
