COMMITTEE SUBSTITUTE FOR ORDINANCE NO. 210991, AS AMENDED

Amending various sections of Chapter 3, "Contracts and Leases," for the purposes of updating goal setting for individual contracts and the authority of the fairness in construction board, and regulating prevailing wage and wage theft.

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

Section 1. That Chapter 3 of the Code of Ordinances entitled "Contracts and Leases" is hereby amended by repealing Sections 3-425, 3-431, 3-451, 3-453, 3-463, and 3-622 and enacting in lieu thereof new sections of like number and subject matter to read as follows:

Sec. 3-425. Application to leases, tax increment financing and tax abatement entities.

(a) *Lease of city property for development.* The provisions of this division shall apply to all projects on property leased by the city to any person for development of the property by that person or any other authorized person.

(b) *Projects under tax increment financing.* The tax increment financing commission shall adopt the city's affirmative action program and the city's minority and women's business enterprise program which shall

apply to all projects financed in whole or in part by tax increment financing as that term is used in RSMo § 99.800 et seq. All redevelopment agreements between the tax increment financing commission and a developer must contain MBE/WBE goals and workforce utilization goals which are approved by the board, as applicable, and which are applicable to 100 percent of all redevelopment project costs, identified within a tax increment financing plan approved by the city council. For purposes of this subsection, the "city's affirmative action program" and "minority and women's business enterprise program" shall have the same meaning as used in this division.

(c) *Projects under tax abatement entities.* All corporations organized under RSMo § 353.010 et seq. for the purpose of redevelopment within the city limits, land clearance for redevelopment authority with an area of operation within the city, enhanced enterprise zone boards with an area of operation within the city and planned industrial expansion authority for the city shall adopt the city's affirmative action program and the city's minority and women's business enterprise program which shall apply to all projects receiving city tax abatement in whole or in part.

Sec. 3-431. Setting goals for individual contracts.

(a) Except for goals to be established by the applicable board as provided in sections 3-450, goals shall be established for individual contracts by the director, as determined pursuant to this section. Goals shall be applied to the total dollar value of the contract, unless otherwise authorized by the director.

(b) Individual contract goals shall be flexible and are to be determined on a contract-by-contract basis. In determining whether goals should be established for an individual contract or in setting the specific goal for an individual contract, the following shall be considered:

- (1) The scope of work; and
 - (2) The number and types of qualified MBEs and WBEs available to perform such work, or portions of it; and
 - (3) Whether the contract can be structured to create potential opportunities for qualified MBEs and WBEs to participate as subcontractors, service providers and/or suppliers; and
 - (4) The level of participation of certified MBEs and WBEs in similar contracts awarded by other city departments and incentive agencies, and on local projects awarded by the state and federal governments in the previous and current fiscal years; and
 - (5) The city department's or incentive agency's progress toward meeting its annual MBE/WBE goals and its expectations as to how future contracts will be used toward meeting such goals; and
 - (6) The potential dollar amount of the contract.
- (c) When goals for individual contracts are set, they shall be set as follows:
- (1) For all city and incentive agency professional service and goods and services contracts with an estimated cost of more than \$160,000, by the fairness in professional services and goods board, upon the recommendation of the director, as provided in section 3-450.

(d) When goals are established for a contract, such goals shall be stated in any invitation for bid or request for proposals. No invitation for bid or request for proposals shall be released until goals have been requested and set in accordance with subsection (b) of this section, or until the city department or incentive agency soliciting the contract has been notified by the director that goals will not be established. If the goals are to be set by a board and such board shall have failed to meet for any reason within thirty calendar days from the date upon which such board shall have last convened, then the invitation for bid or request for proposals may be released with the goals as recommended by the director and an addendum thereto shall be issued setting forth the goals once established by the board.

(e) For contracts other than construction contracts, the director is authorized to require a bidder or proposer to make good faith efforts to achieve MBE/WBE participation without setting a numerical MBE/WBE goal on the solicitation as long as the director could have set an MBE/WBE goal based on the factors in section 3-431(b).

Sec. 3-451. Fairness in construction board.

(a) Establishment and authority. There is hereby established the fairness in construction board. The board's authority is limited to city construction bids, proposals and contracts, and those incentive projects, in which the estimated cost thereof is more than \$300,000.00. - (f) Authority of board.

- (1) The board shall have authority to decide appeals, and may reverse, affirm or modify determinations of the director pursuant to subsections (a) (b), and (c) hereof. The failure to hold a hearing or determine an appeal frivolous within the prescribed time shall result in the director's determination being overturned without further action, unless the

delay was requested or caused by the party filing the appeal.

- (3) The board shall issue a written report of its decision within the later of thirty (30) calendar days of the filing of a timely appeal or fourteen (14) calendar days from the conclusion of the hearing and its decision shall be final for all purposes. The city council may elect to delay award of the project until after the board issues its decision.

(h) For incentive agency projects, when the applicable incentive agency and the director are unable to reach a mutual determination within thirty (30) days, the board shall have the authority to make determinations as to whether good faith efforts have been made and on the assessments and amount of liquidated damages, pursuant to sections 3-437, 3-441, 3-443, and 3-447. The board shall have the power to inquire into all the facts and circumstances and hold hearings for such purpose. When agreement cannot be reached after the requisite thirty (30) days, the director or applicable agency shall notify the board of such disagreement within five (5) days. Upon notification by the director or applicable agency, the board shall hold a hearing within thirty (30) calendar days. The board shall issue its determination as to whether good faith efforts have been made within fifteen (15) calendar days from the conclusion of the hearing and its decision shall be final for all purposes.
