BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

Section A. That Chapter 2, Code of Ordinances, entitled “Administration,” relating to the Classification and Compensation Plan, is hereby amended by repealing Section 2 2-1086 and enacting in lieu thereof a new section of like number and subject matter, to read as follows.

**Sec. 2-1086. Interpretation and application of compensation plan.**

(a) *Rates.* All rates prescribed in the grades of pay for city officers and employees represent the total remuneration, including pay in every form authorized for full-time employment except as otherwise set forth in this section. Where employment in a position is on a part-time basis, that is, where the week's work is less than an ordinary workweek or where the day's work on a continuing basis consists of less than the ordinary number of working hours of an ordinary working day, such service shall be compensated on the basis of the equivalent hourly rate for full-time employment.

(b) *Equivalent compensation.* It shall be permissible, in the interest of the service, to pay equivalent compensation on any other time basis than that specified in the salary range; provided that, in determining the equivalent rate on a different time basis, the relative earnings for full-time employment during a given period of time shall be taken as determining equivalency.

(c) *Minimum and maximum rates.* Under each salary schedule there is set forth a minimum and maximum salary rate. Advancement to the maximum rate for the class shall be made on the basis of an annual evaluation report and efficiency. However, the director of human resources has the authority to approve pay bands within a pay range as requested by directors that have department specific job classifications. The director of human resources shall set the minimum and maximum salary rate of each pay band. Movement between the pay bands will be based on meeting the specific departmental criteria.

(d) *Beginning salary.* Original appointment above the minimum salary rate for a class may be made upon the approval of the department director and must be requested, reviewed, and approved by the director of human resources prior to the job offer, subject to the following conditions:

- (1) The applicant must exceed the educational and experience requirements for the position as set out in the official class specifications.
- (2) The department is responsible for ensuring internal equity within that job class and among other relevant job classes and complying with applicable employment laws.
- (3) If the applicant, chosen by the department director, cannot be hired in the lower fifty percent of the pay range for a class, the department director shall refer the applicant to the director of human resources for a determination.
- (4) If the applicant, chosen by the department director, cannot be hired in the lower seventy percent of the pay range for a class, the department director shall refer the application to the human resources committee for a determination.
- (5) When any former employee is considered for reemployment in a class in which he was previously employed, the department director may authorize an appointment above the minimum salary rate of pay for the class subject to the conditions set forth in this subsection.
- (6) The department director and the director of human resources shall keep a record of all cases of employment above the minimum rate.

(e) *Salary advancements.* If funds are available, salary increases within the appropriate pay grade may be given on an employee's pay anniversary date if the employee has received a "met overall expectations" or higher evaluation rating on the last annual employee appraisal report.

- (1) Classified employees considered non-exempt under the Fair Labor Standards Act and covered by the collective bargaining agreement with Local Union 500, AFSCME AFL-CIO, who receive an overall performance appraisal mark of at least a "Meets Expectations" on their annual employee appraisal report shall receive an increase in accordance with the collective bargaining agreement in effect at the time, in addition to any other pay agreements in effect.
- (2) Classified employees considered non-exempt under the Fair Labor Standards Act who receive at least a "meets expectations" overall rating on their employee appraisal report shall receive an increase within their salary schedule as determined by the pay provisions in effect at that time or as determined by the city manager. Employees who are at the maximum of their salary schedule when they receive their annual performance appraisal shall be eligible for a one-time cash payment commensurate to the percent of the base pay increase that they would have been eligible for on their annual performance appraisal had they not been at the maximum of the pay grade.
- (3) Classified employees considered exempt from certain overtime provisions of the Fair Labor Standards Act, except for fire management, who receive at least a "met overall expectations" evaluation rating on their annual appraisal report shall receive an increase within their salary schedule as determined by the pay provisions in effect at that time or as determined by the city manager. Employees who are at the maximum of their salary schedule when they receive their annual performance appraisal shall be eligible for a one-time cash payment commensurate to the percent of the base pay increase that they would have been eligible for on their annual performance appraisal had they not been at the maximum of the pay grade.
- (4) Unclassified employees who receive at least a "meets overall expectations" evaluation rating on their employee appraisal report shall receive an increase within their salary schedule as determined by the pay provisions in effect at that time or as determined by the city manager. Employees who are at the maximum of their salary schedule when they receive their annual performance appraisal shall be eligible for a one-time cash payment commensurate to the percent of the base pay increase that they would have been eligible for on their annual performance appraisal had they not been at the maximum of the pay grade.
- (5) Classified employees considered non-exempt under the Fair Labor Standards Act and covered by collective bargaining agreement with Local Union 42, IAFF, and who receive an overall performance appraisal mark of at least a "Meets Expectations" on their annual employee appraisal report shall receive an increase in accordance with the collective bargaining agreement in effect at the time, in addition to any other pay agreements in effect
- (6) Classified employees covered by the collective bargaining agreement with Local Union 3808, IAFF, and who receive an overall performance appraisal mark of at least "Meets Expectations" on their annual employee appraisal report shall receive an increase in accordance with the collective bargaining agreement in effect at the time, in addition to any other pay agreements in effect.

For employees considered non-exempt under the FLSA, an increase may be delayed not to exceed 90 calendar days from the pay anniversary date provided the department head furnishes justification for the action to the concerned employee and the human resources director. Employees considered exempt under FLSA receiving an evaluation rating "failed to meet overall expectations" on their annual employee appraisal report will not receive an increase for that year of service. Employees receiving two

consecutive overall "failed to meet expectations" evaluation ratings will be recommended for termination.

Salary increases shall take effect on the employee's pay anniversary date.

After completion of the initial probationary period all regular employees covered by the FLSA are eligible for consideration for a pay increase to recognize exceptional service rendered. A pay increase for exceptional service work shall not constitute a new pay anniversary date for the employee concerned. An employee may receive only one pay increase for exceptional service within the pay grade in any 12-month period from award.

(3) Pay increases for exceptional service may not exceed five percent of the total average number of regular employees eligible for exceptional services increases assigned to a department in any fiscal year, except that in a department with less than ten employees covered by the FLSA not more than one exceptional service pay increase may be granted in any fiscal year.

(4) Department heads shall maintain appropriate records to demonstrate adherence with this subsection (f). Pay increases for exceptional service shall be funded out of existing departmental budgets.

(g) *Payments by other agencies.* In any case in which part of the compensation for services in a position, exclusive of overtime services, is paid by another department or division or an outside agency such as the county, the state or the federal government, or from a different fund or account, any such payments shall be deducted from the compensation of the employee concerned, to the end that the total compensation paid to any employee from all sources combined, for any period, shall not exceed the amount payable at the rate prescribed for the class of position to which the employee is certified and assigned.
