BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

88-370-01 - DESCRIPTION AND PURPOSE

88-370-01-A. A temporary use is the use of property conducted from an area or structure (e.g., parking lots, lawns, trucks, tents, or other temporary structures) that does not require a building permit and that may not comply with the use or lot and building standards of the zoning district in which the temporary use is located.

88-370-01-B. The temporary use regulations of this article are intended to permit such occasional, temporary uses

and activities when consistent with the purposes of this zoning and development code and when the operation of the temporary use will not be detrimental to other nearby uses.

88-370-02 - AUTHORITY TO APPROVE

88-370-02-A. Except as expressly stated in 88-370-03, all temporary uses require city approval.

88-370-02-B. The city planning and development director is authorized to approve temporary uses that comply with the provisions of this article and to impose conditions on the operation of temporary uses that will help to ensure their general compatibility with surrounding uses.

88-370-02-C. The city planning and development director is also authorized to require that temporary use requests be processed as special use permits in accordance with 88-525.

88-370-03 - EXEMPTIONS

The following are permitted as temporary uses without complying with the permit requirements of this section:

88-370-03-A. Garage sales conducted in R districts or on lots occupied by residential dwelling units for no more than 6 days total in any calendar year; and

88-370-03-B. Temporary uses of no more than 3 days duration conducted on city parkland or public property, provided such uses have been approved by the parks board or other duly authorized city official.

88-370-04 - AUTHORIZED USES

The following may be approved as temporary uses when the city planning and development director or other authorized decision-making body determines that the operation of such use will be generally compatible with surrounding uses and will not be detrimental to public safety:

88-370-04-A. Christmas tree and similar holiday sales lots;

88-370-04-B. Outdoor carnivals;

88-370-04-C. Outdoor concerts and festivals;

88-370-04-H. Mobile vendor parks; and

88-370-04-I. Similar uses and activities.

88-370-05 - TIME LIMIT

Unless otherwise allowed by this Code, temporary uses may be permitted for a maximum of 45 days unless the city planning and development director expressly approves a longer time limit. Upon expiration of a temporary use permit, another permit for the same premises may not be obtained for at least 30 days. The applicant must submit a

written explanation of the length of time needed for the temporary use.

88-370-06 - PROCEDURE

Upon receipt of a complete application for a temporary use, the city planning and development director must review the proposed use for its likely effects on surrounding properties and its compliance with the general provisions of this article.
