BE IT RESOLVED BY THE COUNCIL OF KANSAS CITY:

Section 1. That the Council of Kansas City adopts the following non-legally binding definition from the International Holocaust Remembrance Alliance Working Definition of Antisemitism and its eleven contemporary examples, which includes:

- “Antisemitism is a certain perception of Jews, which may be expressed as hatred toward Jews. Rhetorical and physical manifestations of antisemitism are directed toward Jewish or non-Jewish individuals and/or their property, toward Jewish community institutions and religious facilities.”
- “Antisemitic acts are criminal when they are so defined by law. Criminal acts are antisemitic when the targets of attacks, whether they are people or property - such as buildings, schools, places of worship and cemeteries - are selected because they are, or are perceived to be, Jewish or linked to Jews.”
- “Antisemitic discrimination is the denial of opportunities or services available to others on the basis of a person’s link to or identification as a Jew.”

Section 2. That the Council of Kansas City will ensure that the Working Definition of Antisemitism is available as an educational resource for local agencies responsible for addressing antisemitism and other forms of discrimination, including the City’s Civil Rights and Equal Opportunity Department and the Kansas City Police Department.
