ORDINANCE NO. 210692

Accepting the recommendations of the Public Works Standards Committee regarding certain amendments to the Public Works Standards and Design Criteria to be used in the construction of public improvements and the development of land or subdivision plats.

WHEREAS, the City Council created the Public Works Standards Committee pursuant to Section 88-605-04 of the Zoning and Development Code for the purpose of promulgating engineering and construction specifications and standards for proper development of the City; and

WHEREAS, the Public Works Standards Committee solicited and considered public feedback on proposed changes to the Standards and Design Criteria at a public hearing on May 17, 2021; and

WHEREAS, on August 9, 2021, the Public Works Standards Committee voted to recommend adoption of certain proposed changes to Section 2100 - Clearing and Site Preparations of the Division II Construction and Material Specification, Street Cut Restoration standard drawing number SR-1; and

WHEREAS, the City Council believes it is in the best interest of the City to adopt these proposed changes to the Public Works Standards and Design Criteria; NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

Section 1. That the recommendations of the Public Works Standards Committee concerning amendments to the Public Works Standards and Design Criteria are hereby accepted and the amended Section 2100 - Clearing and Site Preparations of the Division II Construction and Material Specification, Street Cut Restoration standard drawing number SR-1 hereby adopted and will become effective on September 13, 2021.

Approved as to form and legality:
