WHEREAS, on March 12, 2020, a proclamation of a state of emergency (the "Proclamation") was issued to allow the City of Kansas City to take measures to reduce the possibility of exposure to COVID-19 and promote the health and safety of Kansas City residents; and

WHEREAS, the current proclamation, the Sixth Amended Proclamation Declaring a State of Emergency, remains in effect until August 31, 2021, running parallel with the state of emergency declared by the Governor of the State of Missouri; and

WHEREAS, the COVID-19 virus spreads between people who are in close contact with one another or present in shared spaces, and a gathering of individuals without necessary mitigation for the spread of infection will pose a risk of the spread of infectious disease; and

WHEREAS, Missouri is experiencing another wave of new COVID-19 cases, fueled by low rates of full vaccination, the spread of new strain of COVID-19 variant (the Delta variant), and COVID-19 hot spots now

extending from southwest Missouri to Kansas City; and

WHEREAS, on August 10, 2021, the Kansas City Health Department confirmed 167,664 total cases of COVID-19 in Kansas City metro-wide and 2,391 deaths from COVID-19 in Kansas City metro-wide; and

WHEREAS, the number of COVID-19 cases and hospitalizations in Kansas City has increased steadily, the weekly average for new COVID-19 cases is the highest in almost six months, and local hospitals are at or near capacity; and

WHEREAS, on July 27, 2021, the CDC issued new guidance, recommending all vaccinated individuals in “substantial” or “high” transmission areas, with either more than 50 cases per 100,000 people in the area over a seven-day period, or with a COVID-19 test positivity rate higher than 5 percent, wear masks indoors; and

WHEREAS, the four counties in which Kansas City is located (Cass, Clay, Jackson, and Platte) are currently classified as high transmission areas by the CDC; and

WHEREAS, regional health guidance from medical professionals in the Kansas City metropolitan area recommended a return to masks indoors in July 2021 based on the positivity rate for COVID-19 cases in Missouri and the increase in hospitalizations; and

WHEREAS, Section 88-505-12 of the City Code sets forth a public engagement process for certain types of applications, including rezonings, development plan approvals, special use permits, and preliminary plats; and

WHEREAS, the City Council desires to suspend the requirement for an in-person meeting until December 31, 2021; NOW THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:
