WHEREAS, individuals with felony convictions continue to be one of the few groups that is subject to legal discrimination in housing, employment and voting eligibility; and

WHEREAS, restoring the right to vote to people with a felony conviction enables them to exercise their civic duty and helps reestablish ties to the community that encourage law-abiding behavior; and

WHEREAS, voting rights for formerly incarcerated individuals eligible to vote under applicable state law are fundamental to our democracy and to our City; and

WHEREAS, MORE² has organized people with felony convictions, into a group called “Our Voices” and launched a campaign called “Our Voice, Our Vote,” that will engage eligible voters throughout Missouri and Kansas; and

WHEREAS, the Office of the Mayor is working with county and state agencies and community partners like MORE² to raise awareness and understanding of current city, county, state and federal election laws that allow people who have completed their felony conviction to vote; and

WHEREAS, the Mayor and Council encourage those with felony or misdemeanor convictions who are no longer incarcerated, have completed their term of probation and/or parole, and are eligible under applicable state law to exercise their lawful civil right and civic duty to register and vote in future elections; NOW, THEREFORE,

BE IT RESOLVED BY THE COUNCIL OF KANSAS CITY:

That the Mayor and City Council hereby honor MORE² for its efforts to engage and register eligible voters with misdemeanor or felony convictions throughout the Greater Kansas City area; and
